

In honor of a factory,

we are a huge company in Israel that imports wood for construction and other related things such as building materials and flooring for homes.

"**Negev**" is an Israeli company that has existed for 50 years and has 400 employees and hundreds of branches.

Our company currently imports from Ukraine, Russia, China and more.

We are interested in coming to you and holding a meeting regarding the purchase of wood products for construction and their import into Israel. We are interested in large quantities of goods and we have all the required collateral.

We attach to our site that you can be impressed by our company. We will be happy to reach you in a week.

To contact us - you can return to this email - wood.negev@gmail.com

or by phone- +972 546777566 \ +972 526216667

Name of contact - Orian / Yossi

We would love for you to come back to us and we can move forward.

Best Regards,

NEGEV COMPANY
